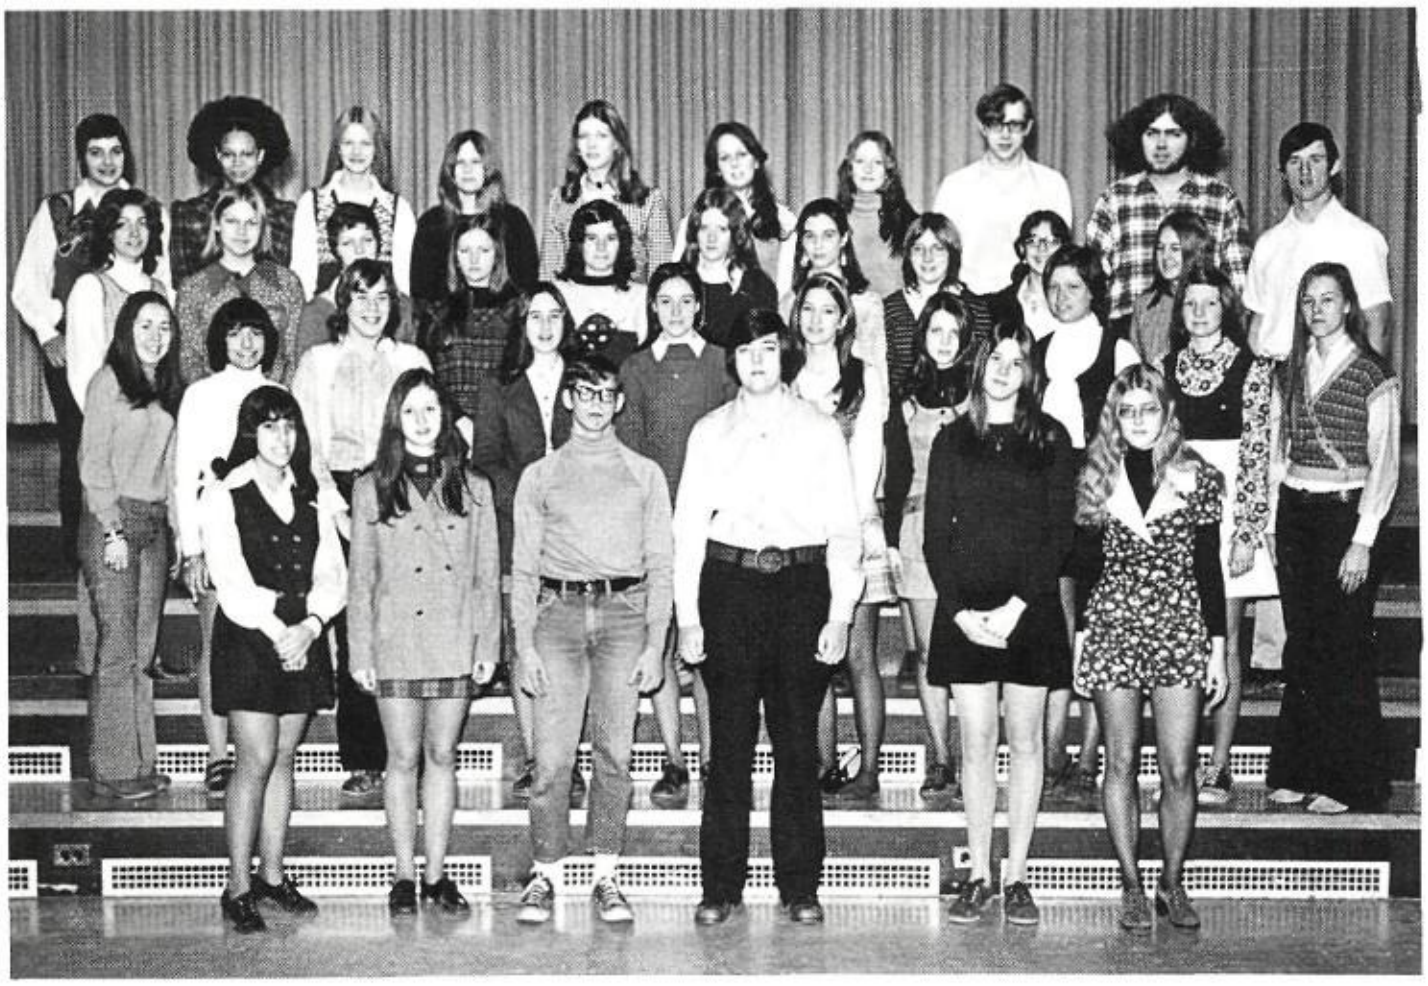
Editors

GARNET AND WHITE

The staff of the Garnet and White was kept busy this year following all the activities of other busy students. The staff recorded clubs, sports, and various other aspects of school life at Henderson. With the selected theme the editors worked to make this year's Garnet and White an excitingly different school publication.



Typists

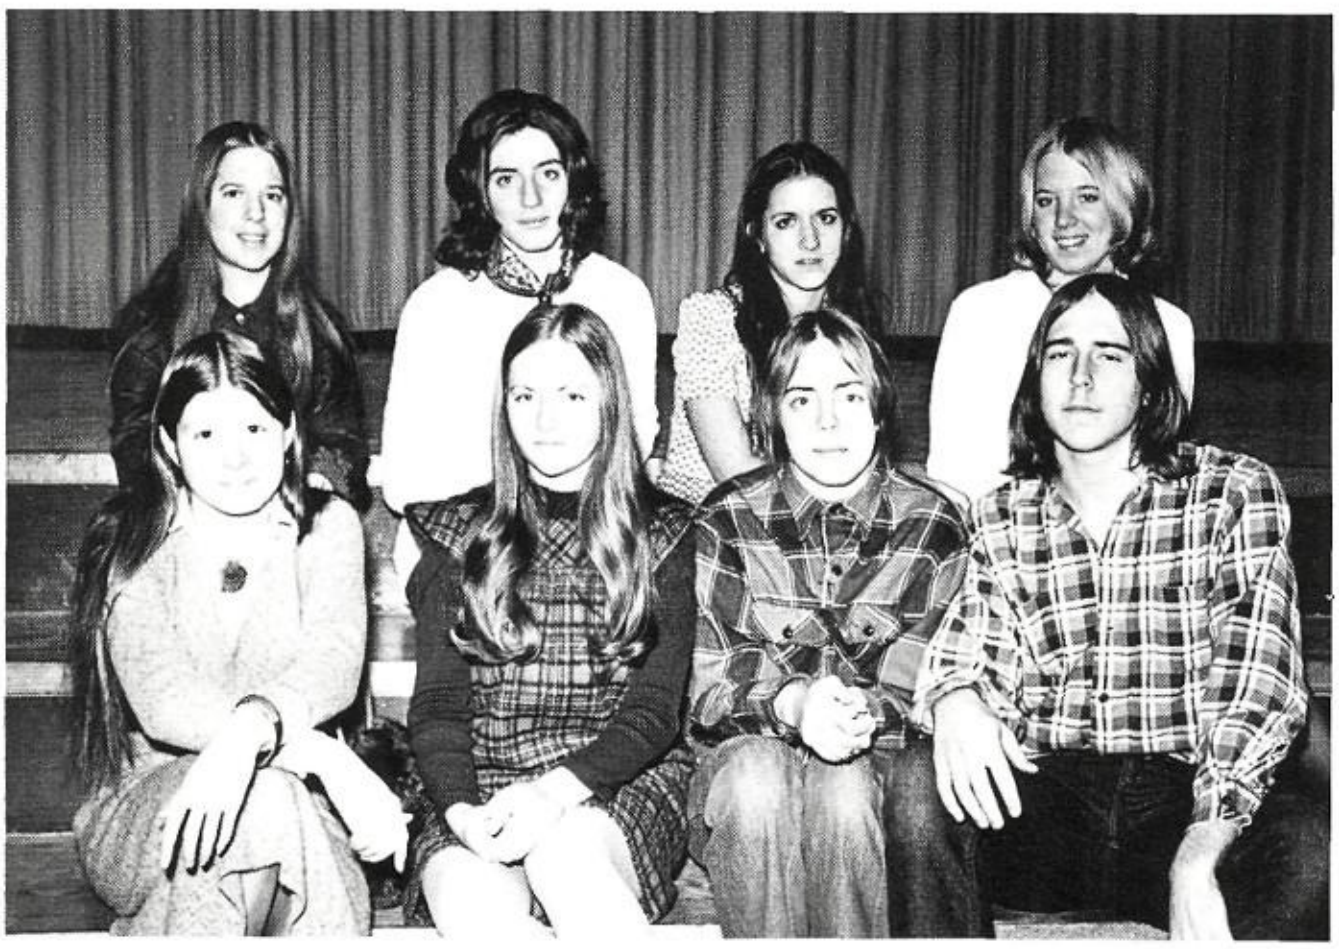
Photographers

Indianhead

The Indianhead provides interested students with the opportunity to learn the rudiments of journalism by publishing the school newspaper. This year's staff consisted of twenty-five members, headed by Editor-in-Chief Jan Walker. Associate editors were Maureen Martin, Mark Plank and Maureen Weaver.

Vectors

Vectors, the literary magazine of Henderson, compiles and publishes selections of short pieces of creative writing and art. Serious and dedicated in their endeavours, the staff itself contributes material, and encourages contributions from all students.



Morning Report

With a cheery "Good morning and welcome to the Morning Report!", another day at Henderson officially begins. The morning announcements broadcast is designed to be both informative and mildly entertaining. This year's staff was co-headed by Don Givler and Steve Pendlebury and supported by a rotating group of outstanding announcers.

WCH On The Air

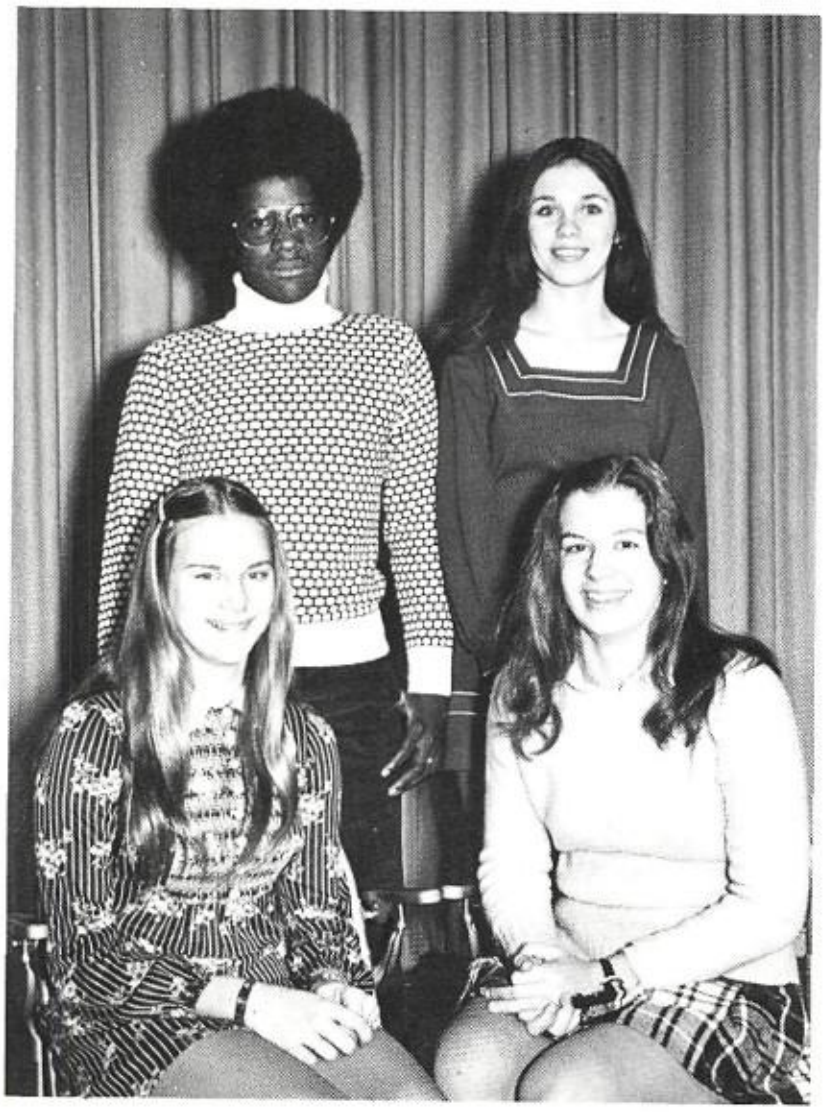
Our very own West Chester High on the Air can be heard every Wednesday night somewhere around 8:00 pm. on station WCOJ. Made up of ten dedicated members, this group broadcasts the latest in sports, news, and music.

Associated Student Government

Henderson's Associated Student Government is made up of all the officers of the three classes. This association controls the school-wide business and plans many student activities. With this new student government we hope to accomplish what last year's student council never could. Chairman of the group is Dave Bland and his co-chairman is Maurice Dana.

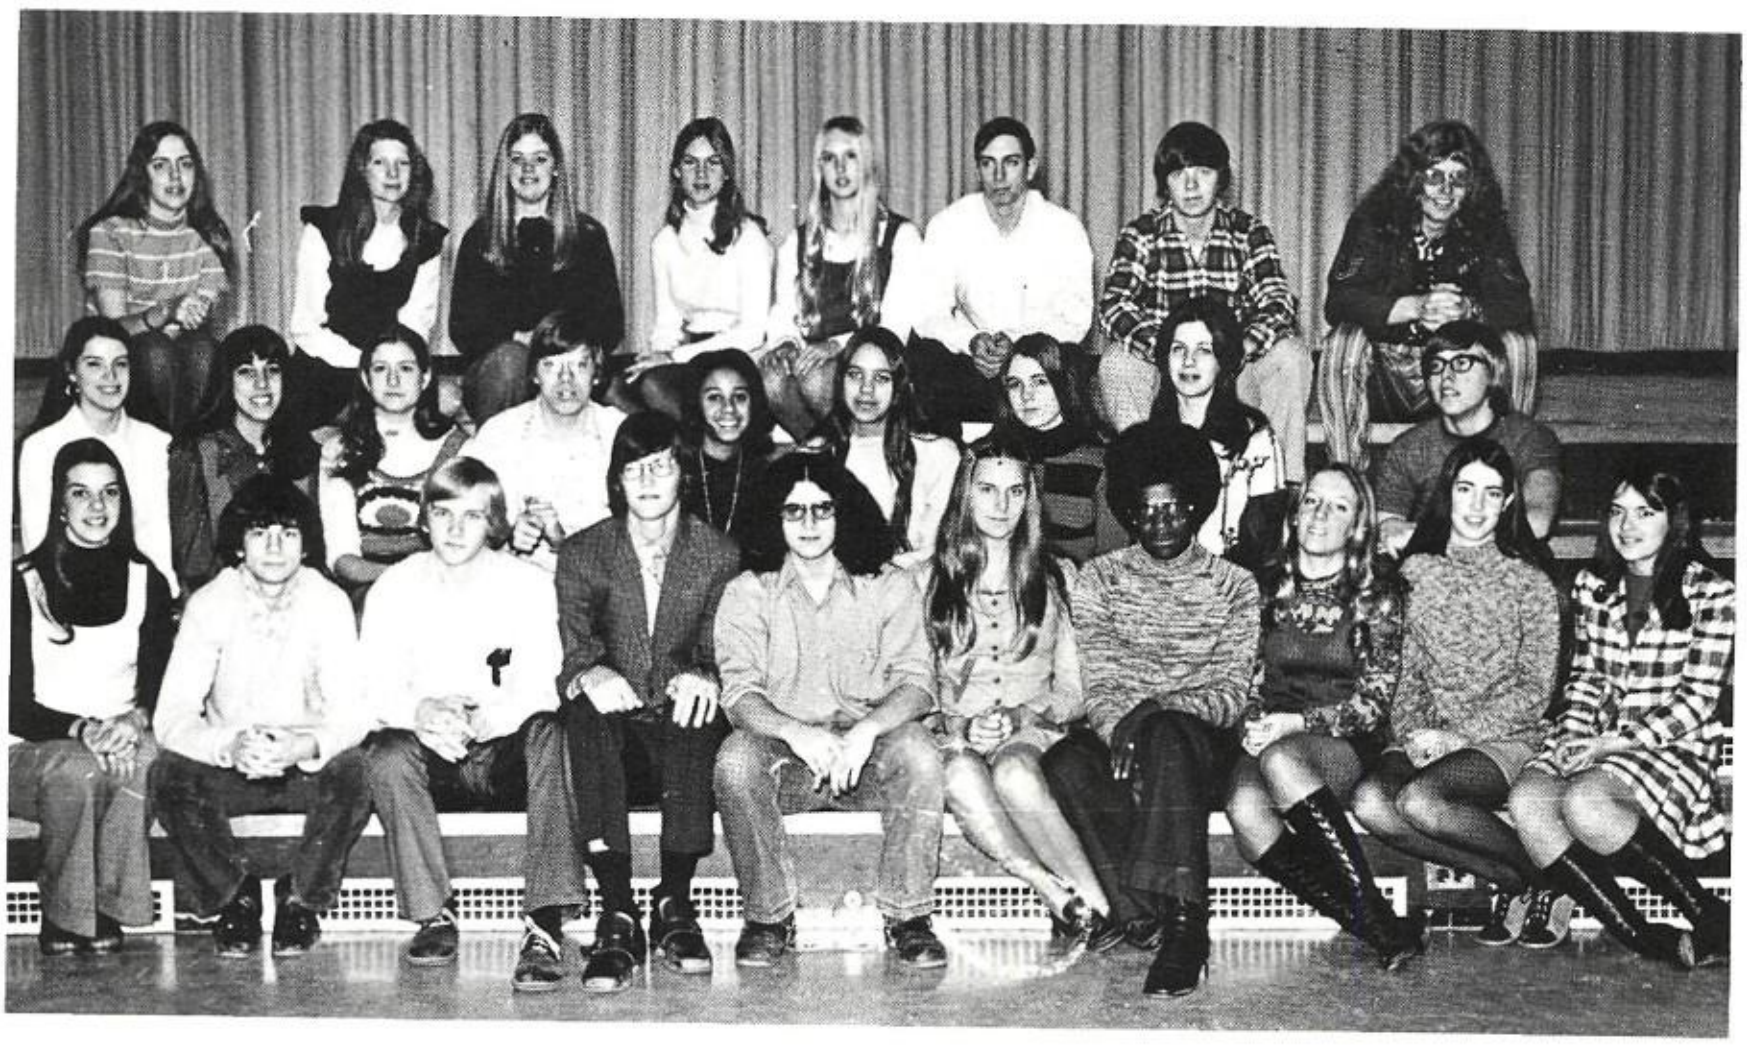
SENIOR OFFICERS: Standing — Assistant Treasurer Mark Traines, President Paul Uyehara, Vice President Kurt Pflieger. **Seated** — Assistant Treasurer Nancy Compton, Treasurer Ruth Trone, Secretary Judy Sheller.

JUNIOR OFFICERS: Secretary Gail Hewett, President Ed Heald, Vice President Lynn Pryor.

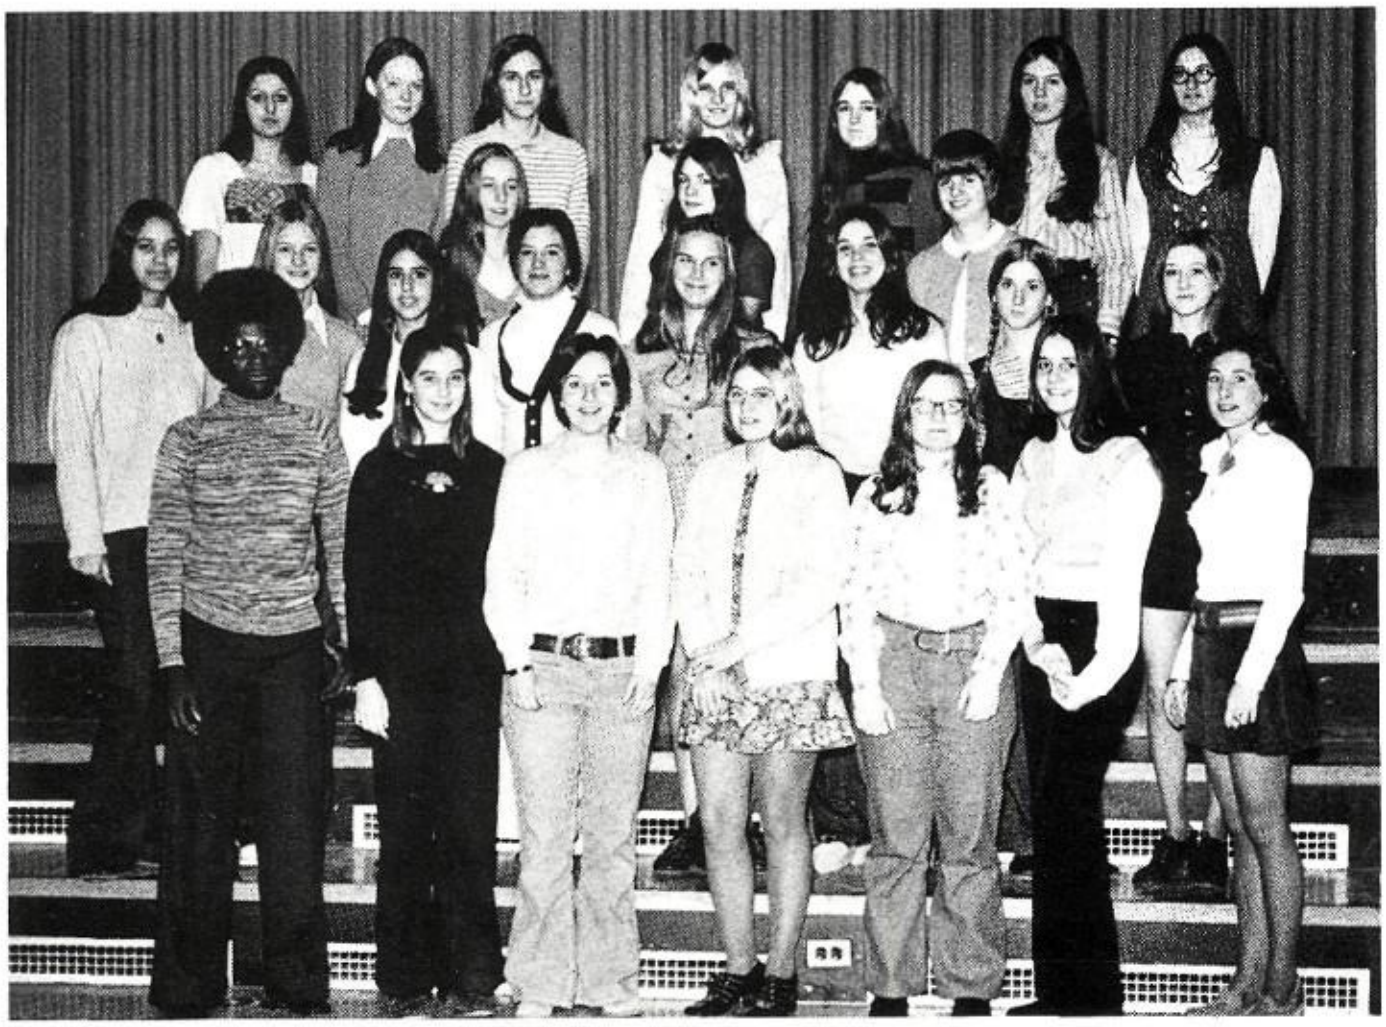


HENDERSON SOPHOMORE OFFICERS: Standing — President Michael Moats, Vice President Joyce McDonald. **Seated** — Secretary Patti Foulk, Treasurer Lauri Ginter.

EAST SOPHOMORE OFFICERS: Treasurer Karen Catov, President Anthony Stancoto, Vice President Lynn Kelly, Secretary Diane Bond.



Pep Clubs



Sophomore

The Sophomore Pep Club under the leadership of Patti Foulk aroused school spirit in the Sophomore class. The members of the club try to attend all sports activities and cheer the Warriors to victory. The Sophomore Pep Club also entered a float in the Homecoming Parade. This club is sponsored by Mrs. Falini.

Junior

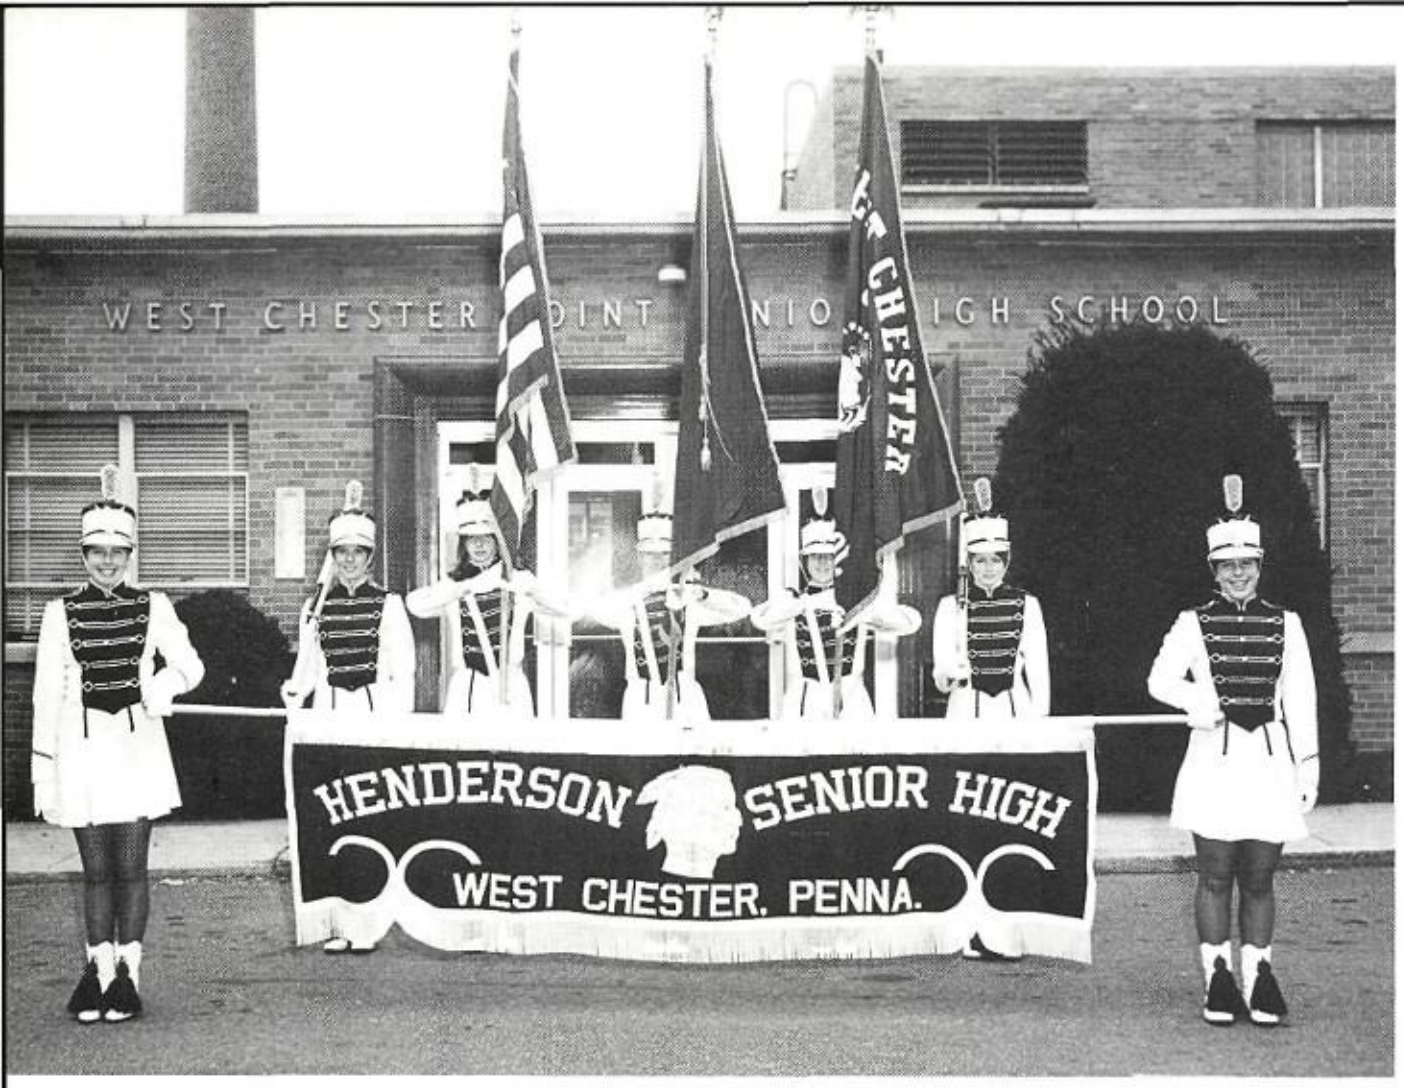
The Junior Pep Club has a large membership and a great cheering section. The Juniors really helped to boost school spirit by sponsoring rides to football games that were away, entering a float in the Homecoming Parade, and going to all the school games. Doreen Kelly led the Junior Pep Club with the help of many Juniors.

Senior

Spirit and pep is the name of the game for these Seniors! They can be heard at all sports activities, cheering their team onward. This year the Seniors led the Homecoming Parade with a first place float. Sponsored by Mr. Halsey, the club also raises money for scholarships. The Senior Pep Club was headed by President John Mahoney, Vice President Laurie Schell, and Secretary Eva Abbott.

Pep Band

The Pep Band helps to promote school spirit at the J-V Football games, basketball games, and pep rallies. The group is made up entirely of hard-working volunteers.



Under the direction of Mr. Magno, the Marching Band once again provided our football fans with entertaining pre-game and half-time shows. Accompanying the band was the entire Band Front, making showtime a really spectacular event.

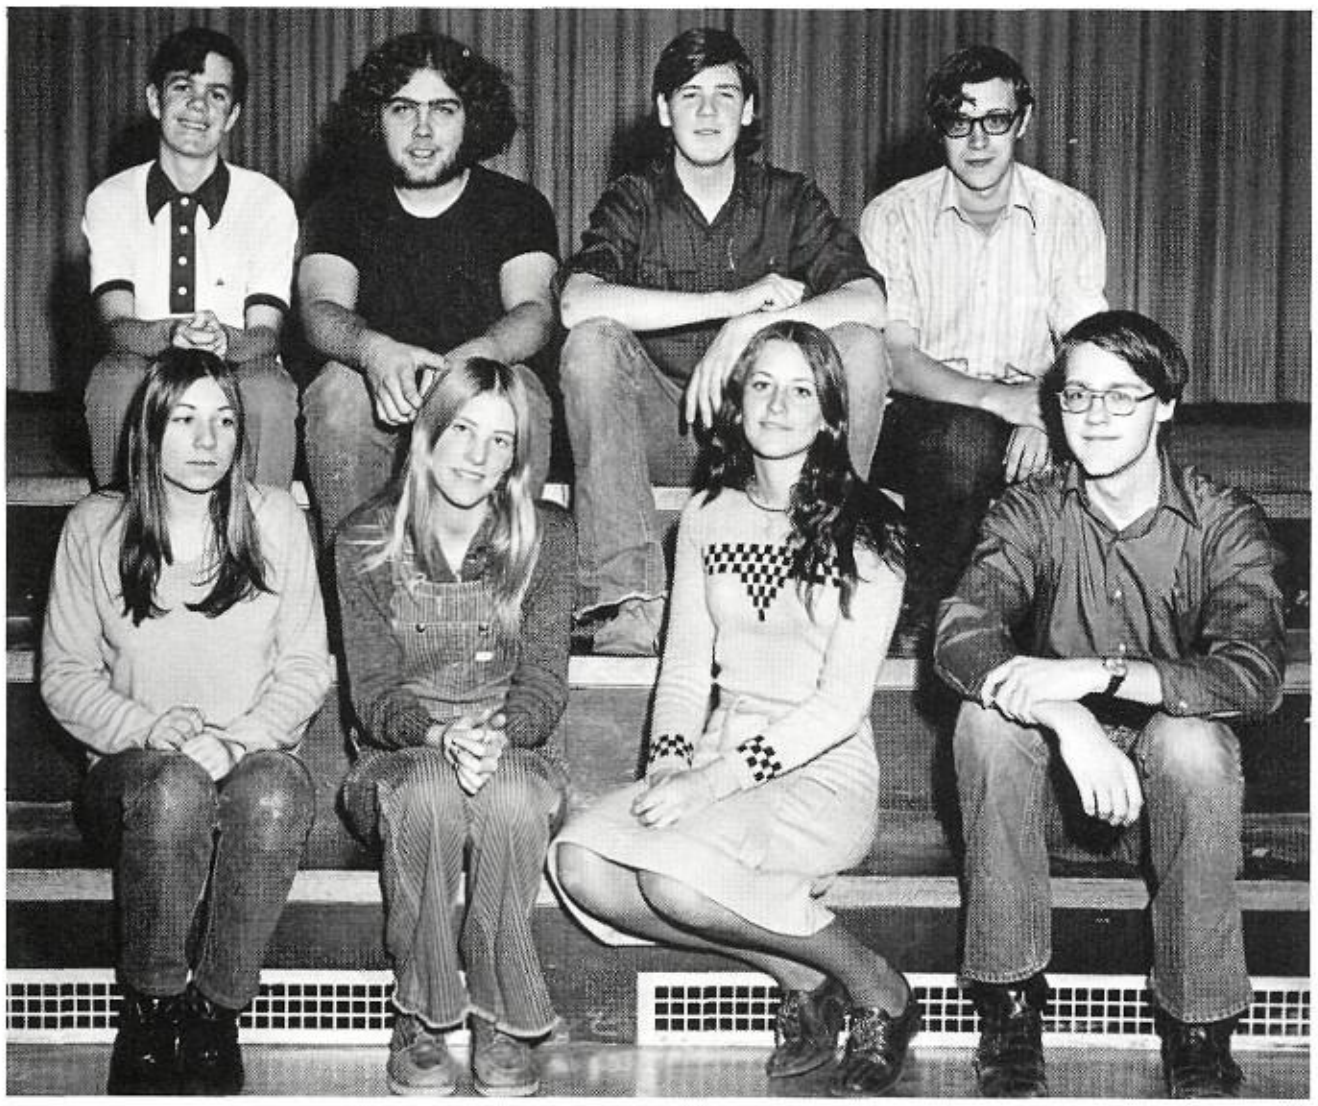
Latin Club

Latin isn't dead; it's alive and well and living in room 311. As the Latin I and II students joined to form this group, the memberships of the club rose to an all time high. The purpose of this club is to enlighten its members about Roman culture and contributions. The spirited participants are advised by Mrs. Young.



Photography Club

Under the supervision of Mr. Tiernan, the Photography Club was formed this year. Members learned the basics of photography and experimented with techniques. Besides establishing a school darkroom, the group planned several outings, including trips to the Daily Local News, the Shram Company, and Nikon Housein New York.

Amateur Radio Club

Henderson's radio station WA3GXX is used by club members to communicate with other stations around the world. Preparedness for emergency communication is a vital responsibility for the operators. The sponsors of the 35 member club are Mrs. Thomas, Mrs. Strausbaugh, and television's Channel 6 broadcaster Diane Robinson as advisor.

Riding Club

This year the Riding Club was very busy getting many horse shows on the move. Members did a considerable amount of work with horses in grooming, riding, and teaching newcomers about horsemanship. This year's officers were Barb Hamilton and Sue Dixon. Sponsored by Mrs. Head, the club enables students interested in horses to further their interests by staging horse shows and participating in other activities involving horses.

Outdoor Club

The highlights of the Outdoor Club are the various trips in which the students participate and the different habitats of nature which they witness. Among these outings this year was a canoe trip.

Debate Club

Resolved: that all governmental financial support of public elementary and secondary education in the United States should be provided exclusively by the Federal Government. This was the National High School topic argued by Henderson's Debate Team in competition this year. The team met with groups from other schools in the County Debate League every month on the second Thursday, and District Tournaments were held at Radnor.

WCYEA

In addition to the annual visitations and various speakers on education, this year was one of change for the FTA Club. Under the Leadership of Bob Gotwals, State Vice-President, and club officers: Sue Schooler, President; Randy Plank, Vice President; Barb Hetherington, Recording Secretary; Mary Greenwood, Corresponding Secretary; and faculty advisor, Miss Riehl, the club decided to change its name to West Chester Youth Education Association. These aides can be found every morning running about the halls collecting attendance slips. Their other jobs include preparing the day's absentee list and checking in late students. The one Receptionist Aide eases the Receptionist's work load by sorting mail and delivering messages.

Guidance Aides

These students help out in the school's Guidance Department. The dedicated group spends its mornings dashing madly about the school with messages from the Guidance Office. Venturing forth, they compete each morning with rain, snow, sleet, and Attendance Aides.

Athletic Department Aides

These students have many responsibilities as Athletic Department Aides. Their duties include checking the eligibility of students, caring for the trophy cases, and posting the latest sports results. In this same area of the building, the virtually unknown Administration Aides are found. They collect and file late room cards, look up schedules of students, and deliver messages.

Football

Saturdays meant fans filling the stands as the Warriors returned to Dicks Stadium for the 1972 football season. Although Fall rain caused wet fields, it didn't dampen the spirits of the crowd or the team. Bitter coldness couldn't put a freeze on our Warriors. Determination combined with endurance, courage, sportsmanship, and skill, led the team to a 7-3 season. As Thanksgiving brought football to an end, for another year, the Warriors had learned how to take the bitterness of defeat with the glories of victory. Above all, they had conquered the ins and outs of football.

Cross-Country

"The best group I've ever worked with," says Coach John Hewlett of the cross country team. With excellent leadership from John Leary the team placed second in the Ches-Mont League. For the first time in ten years two of our runners, John Leary and Rick Fehr, made the state championships.

Track and Field

The 1972 Track and Field team was largely made up of underclassmen. In the words of Mr. Hewlett, it was a season of "rebuilding." John Leary succeeded in breaking the school record in the 2-mile with a time of 10:00.6. Mike Patterson was also outstanding placing second in the Ches-Mont standings with a time of 4:31.0 in the 1-mile.

Led by co-captains Kathy Webb and Wendy Richardson the high-spirited Warriorettes posted an active season this year. The Warriorettes successfully made it to the playoffs for the second place tie but ended their season there. These girls really worked to make the team a success and are looking forward to gaining the Ches-mont title in the future.

During the great second half, the Warriors were the only team to defeat Pottstown. The playoff score does not reflect the four point lead held by our Varsity with four minutes to go in the game. George Graves, one of our outstanding players, was named to the Ches-mont and the all area teams. The J. V. posted an undefeated season and Coaches McClellan and Friday are looking forward to another great season!

Boys' Gymnastics

The 1972-73 Season was another great for the boys' gymnastics team. Steve Cuddeback went to the regionals for his routine on the side horse and took third place. The star, however, was, Kurt Pflieger. On the Regional level, he placed first on the horizontal bars, free ex and parallel bars. In the state competition Kurt was awarded first place all around with firsts also on the parallel bars and in free ex. Kurt has put in an outstanding three years at Henderson and will be missed by all the gymnasts.

Captain Karen Conrad and the 32 member squad had a great season due to the abundance of talent and strong team spirit. Though the Warriorettes had their first loss in four years they ended their season by scoring a high 92.30 against Radnor, their toughest competitor. Juniors Denise Vale and Linda Egner qualified for regional competition. Denise's outstanding success made her our first state champion where she placed 3rd on beam and 4th in free exercise. We hope that Denise's 74 year will be an even greater success. The squad will be losing 4 talented seniors, Karen Conrad, Meryl Davis, Cheryl Mc Gowan, and Nancy Veser. The girls' gymnastics team proved to be one of Henderson's athletic highlights of 1973!

The club competes in the Inter-County Scholastic Hockey League in that both public and parochial, and city and suburban schools compete. Presently, the Warriors lead the Western Division with a 9-1-1 record (19-8-1 overall), and have an excellent opportunity to be both division and league champions.

Each of these men won gold medals.

Baseball

The 1972 Warrior Baseball team brought back to Henderson the Ches-Mont Southern Conference Championship after an absence of five years, the last crown having been won in 1967. Highlights of the season included smashing victories over Coatesville, Phoenixville, Great Valley, and a clutch win over Downingtown to cinch the Southern Crown. Steve Clark and Ray Piersol were the real mound aces with Dave Rodriguez being the workhouse behind the plate. Dave Webb and Eric Waltz also proved to be the key men in the infield and outfield, respectively. The climax of the season was the Northern and Southern Conference Championship play-off game at the Hill School against Pottstown for the Ches-Mont League title. The Warriors rallied late in the game in an attempt to ovecome a four run deficit, but fell short by one losing to Pottstown 7-6. The title game closed out a truly exciting season.

ALMA MATER

West Chester High, to thee our Alma Mater —
Praises we sing, and pledge our love anew.
Lessons of Life and Truth to us impart,
Knowledge to serve, to each loyal heart.

So may we strive, that when Life's dawn is past,
Mindful of thee, and loving to the last,
We shall have lived the virtues thou has taught,
We shall have found the Victory we sought

Chorus

Sing then a song unto our colors bright,
West Chester High, the Garnet and the White
